

YouMove

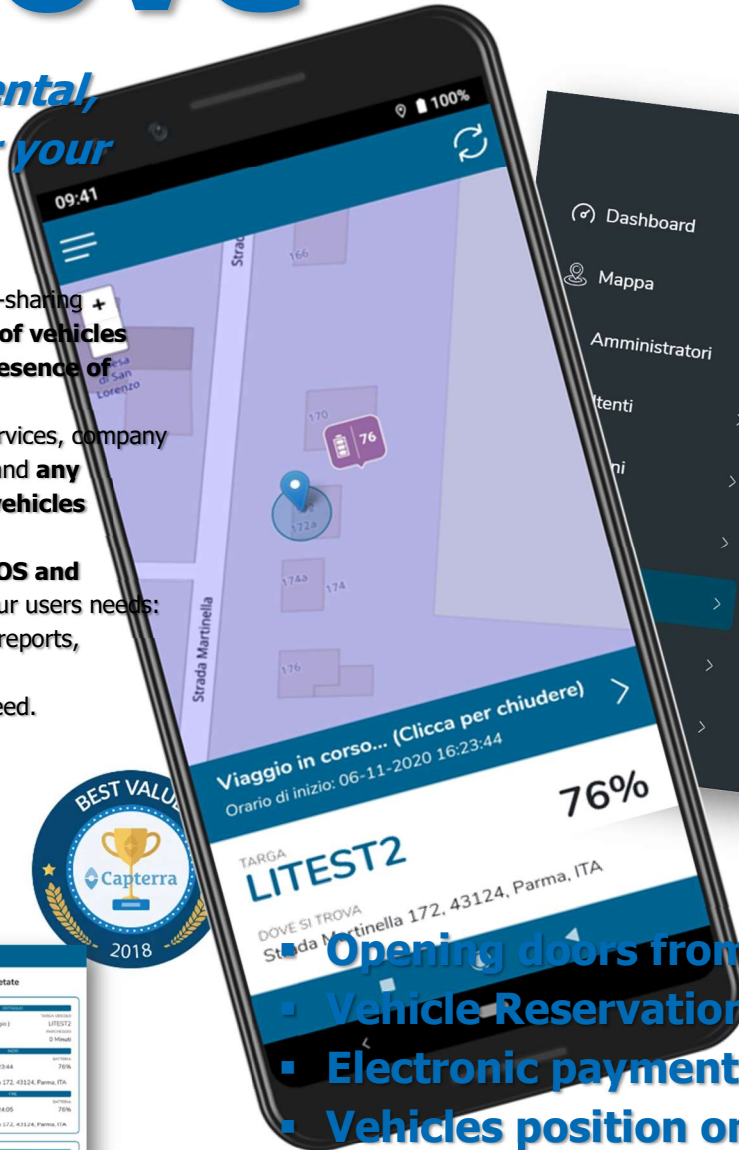

The best carsharing, rental, and carpooling APP for your company

Youmove is the simple and intuitive car-sharing platform that allows you to **share your fleet of vehicles without the need to have the physical presence of someone to manage it.**

Ideal for public administration rental services, company fleet management, condominium car sharing and **any situation where it is necessary to share vehicles** between several people.

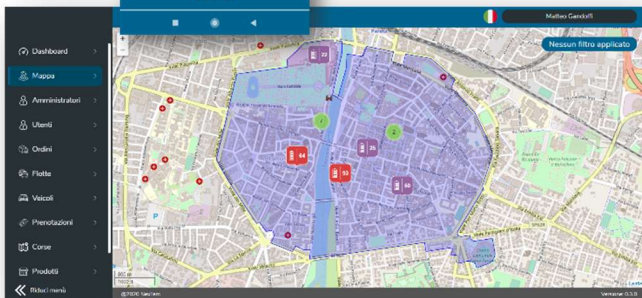

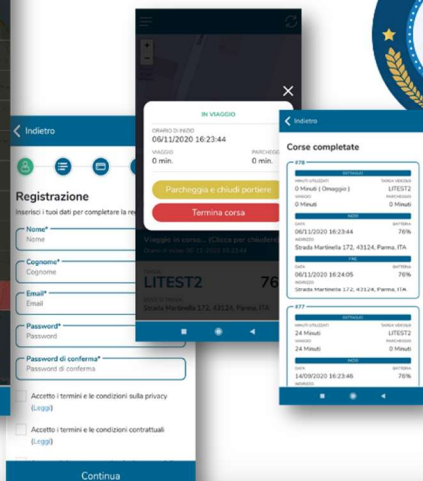

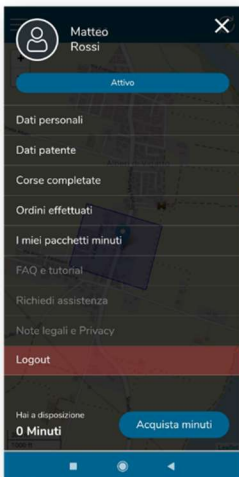

Share your fleet with custom apps for **iOS and Android** and have all the features to meet your users needs: vehicle booking, unlocking, damage reporting reports, communication, payments and much more.

All this **in one app**: what your users need.

Opening doors from mobile

- **Vehicle Reservation**
- **Electronic payments**
- **Vehicles position on the map**
- **Maintenance management**
- **Customers subscription**
- **Driver/customer info**
- **Automatic billing**

Now available
on Android OS
and iPhone

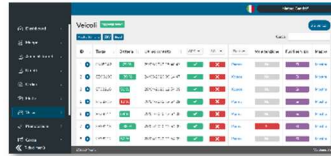

YouMove

Operations Center

App Mobile
